

Christmas Appeal

Dear all

Thank you for your valuable support.

Nicholas, our eldest at 23 has just flown the nest! Finishing technical college with a computing diploma, he's secured a job as a "computer teacher" at Mtwapa Business Studies & Computer College.

Fully independent, making his own way in life now. How amazing is that from his humble beginnings! That's our desire for all our Casuarina kids. Students at Celebration High School too.

Your help over the past 12 years is now reaping rewards as we're witnessing our Casuarina kids fulfilling their childhood dreams. Rehema's in her 2nd year at Uni working towards a law degree, Lois is studying marine engineering, as is Manu. Juma's at college training to become an electrician. We have others still at high school planning to study medicine, journalism and music when they complete their exams.

It makes my heart smile to see how our youngsters are flourishing. We're so grateful to you for sowing into their lives, helping them to achieve their dreams. Together we've made such a difference to their futures.

Our students at Celebration High School also aspire to becoming independent with good jobs to support themselves and their families. They're greatly inspired by Nicholas and how he's achieved his goal. By April 2022 we need extra funds to assist more orphans on our radar that cannot afford to continue to secondary education without financial assistance. Can you help us help them too?

If you can afford an extra gift this Christmas towards educating a new intake of orphans at CHS, that would be awesome. Or if able, kindly consider sponsoring an individual student for 4 years. The cost is 29 pounds per month. We'll be in regular contact with how your student is progressing.

Thank you for your generous support. Wishing you a Wonderful Christmas and Blessed New Year!

God bless
