Christmas Appeal

Since our Christmas appeal last year it's amazing how much has been achieved with your help. "Celebration Technical Centre" has been built and is currently being equipped. We are confident that it will be ready for our very first students to begin in January 2026. Such wonderful news thank you so much!

Interviews for vocational teachers are underway and many of our form 4 students, due to graduate from Celebration High School in December, have enrolled for one of the four courses on offer: Carpentry & Joinery, Tailoring, Plumbing and Electrical Engineering. They are so excited about this new opportunity to acquire a trade skill.

Sadly, there are some former students who after leaving CHS, have not managed to secure jobs. They're asking to come back to train at the Technical Centre. But they no longer have a sponsor and are too poor to support themselves. Money raised from our Christmas Appeal this year will assist these former students in paying for the years certificated course. Gaining a skill will better equip them for the workplace.

If you can spare an extra gift this Christmas to help build up our pot of money, it would be very much appreciated. Thank you for your kindness and generosity over the years for the orphans and disadvantaged in our care. Together we're creating hope for a better future for these children.

Blessings on your Christmas. Wishing you a Happy, Healthy and Prosperous New Year.

God bless

Debbie Scott-Robinson
